Make sure there's no other big meet the same weekend if possible

Advertise in mag.

Get other members to share on their social media pages

Free weekend for following year

Extra night for people travelling from a far

Bar definitely, and use photos taken from year before when letting people know about it. Speaks volumes when you can see what fun is had

Possibly a 3 night meet so people travelling further can enjoy their time more. Also don't arrange the midsummer with any other big meets i.e. bogie meet etc

More flyers,ask da's to support midsummer w/e etc

More ads banners ect

earlier publicity

Ask people to tell their friends

Have it from Thursday morning. Try not to clash with boogie race

Keep advertising

Advertising all year round about what to expect

Invite car club sat night fireworks

Not very helpful but I wish I knew

Difficult one to answer, rally numbers are down across all clubs.

Toilets would encourage people with tents

Bar and live acts

Keep the price low, Publicise much, ask other DAs along

Guarantee dry weather!

Bully them lol advertising early is the only way xx thank you for the good time

More trade stalls

Encourage members to bring a friend. Publish in Magazine.

More advertising, longer meet get everyone involved in promotion all over social media.

Getting the word out- word of mouth- social media
